1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37. CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert Mueller on 1/16/2007.

The application has been amended as follows:

Non-elected claims 33-35 are cancelled.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not disclose a process for monitoring the condition of a rotating belt that includes recording data on a condition of the belt, creating from the recorded data a two dimensional image of the belt condition in a machine direction and in a crosswise direction, wherein the condition is being depicted in the form of contour lines or color transitions (claim 1); a process for monitoring the permeability of a rotating belt that includes recording data on the belt permeability, creating from the recorded data a two dimensional image of the belt permeability in a machine direction and in a crosswise direction (claim 39).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
